Quli Qutub Shah Govt. Polytechnic college 2019-2022

Computer Science Engineering

8.61 GPA

Mars High School (SSC) 2019

7.8 GPA

Projects

Netflix Clone: Web Development Project

Developed a responsive Netflix clone using HTML, CSS, and JavaScript as part of a web development project. Implemented interactive features to enhance user experience across multiple devices.

Java Project: Simple Library Management System

Created a Java-based Library Management System with a user-friendly interface using Swing. The application includes features for both admin and librarian logins, allowing them to manage library operations efficiently. The project demonstrates the use of graphical user interface (GUI) design, and applied object-oriented programming concepts and event handling to streamline library operations.
